**Privacy Notice:** This request for public scoping comments is in accordance with the National Environmental Policy Act (NEPA), the 2020 version of the President’s Council on Environmental Quality NEPA Regulations (85 Federal Register 43304–43376), and 32 CFR 989, Environmental Impact Analysis Process. The Environmental Impact Analysis Process provides an opportunity for public input on DAF decision making, allows the public to offer inputs on alternative ways for DAF to accomplish what it is proposing, and solicits comments on DAF’s analysis of environmental effects. Public commenting allows DAF to make better-informed decisions. Letters or other written comments provided may be published in the Draft or Final Environmental Impact Statement (EIS). Providing personal information is voluntary. Any personal information provided will be used only to identify your desire to make a statement during the public scoping period or to fulfill requests for copies of the EIS or associated documents. Private addresses will be compiled to develop a mailing list for those requesting copies of the EIS. However, only the names of the individuals making comments and specific comments will be disclosed. Personal information, home addresses, telephone numbers, and email addresses will not be published in the EIS.
